The Occasion

2026 marks 30 years of SPM's commitment to educating future leaders. For three decades, we have focused on character development, leadership, and the unique potential of every individual.

The Event

On Saturday, 6 June 2026, we gather +500 members of our community-educators, families, and partners-to reflect on our journey and look forward to the next chapter.

The Invitation

We invite distinguished partners to join this historic milestone. Your support is not just sponsorship; it is an investment in the next generation.

Three Decades of Shaping Leaders

Since 1996, Sekolah Perkumpulan Mandiri has been dedicated to more than just academics. Our journey is defined by a commitment to:

- **Character Development:** Building integrity and respect in every student.
- **Leadership:** Empowering students to take initiative.
- **Unique Potential:** Recognizing that every individual has a distinct path to success.

The 30th Anniversary is a moment of appreciation and reflection, celebrating a history of resilience and looking outward to the community that made it possible.

The Theme: Unleashing Potential

This theme reflects SPM's journey in nurturing academic potential, character, and leadership, while inviting the entire community to contribute to unlocking even greater potential in the future.

Unleashing Potential reaffirms our promise to optimize the growth of every child, educator, and community member involved.
